stage 1

If you want to SHINGLE your kinks to curls for more definition, control and elongation.....

stage 2

Wash your hair with a Detangling shampoo.

stage 3

CONDITION your curls with a DEEP TREATMENT. USING A WIDE-TOOTH COMB run conditioner thru to detangle any snarls or tangles.

stage 4

Rinse out all of the Deep Treatment.

stage 1

Apply MISS JESSIE'S CURLY PUDDING™ all over while hair is soaking wet. (DO NOT

stage 2

Start at the nape of your neck and use a WIDE TOOTH or MED-SIZE RAT TAIL COMB

stage 3

stage 8

KEEP HAIR WET VIA SPRAY WATER BOTTLE OR SHOWER HEAD if you are applying in shower. Hair must be wet!! SEE STAGE 4 and continue steps until you reach the front.

Once you've completed your sections you will not touch or disturb that area. View of SHINGLED wet curls 3/4 Finished. Everything is smooth, frizz free and elongated.

Front View. If you'd like to wear a part, position hair while wet. After curls are fully dry and set, moving or repositioning hair can be awkward.

SIDE VIEW. **INSIDER TIP: IF YOUR KINKY/NATURAL HAIR LOOKS SMOOTHER, LOOSER AND STRETCHED OUT WHEN WET THEN YOU'LL HAVE AN EXCELLENT CHANCE OF TURNING YOUR KINKS TO CURLS WHEN FULLY DRIED.

out the curl.

MAINTENANCE:

TO PREVENT NITE-TIME SHRINKAGE FOR EXTREMELY KINKY HAIR WEAR A SATIN SCARF TIED WITH A MEDIUM HOLD TO KEEP CURLS IN A DOWNWARD FLATTENED POSITION. YOU WILL NEED TO FLUFF WITH FINGER IN MORNING. IF YOUR HAIR DID SOME SHRINKING, USE A NOZZLED BLOW-DRYER AND GRAB A SECTION OF HAIR. STRETCH OUT IN A DOWNWARD DIRECTION AND BLAST HEAT AT ROOT TO MID SHAFT. ADD A DOLLOP OF MISS JESSIE'S CURLY BUTTERCREME BEFORE OR AFTER BLOW/BLAST IF HAIR FEELS DRY.

FOR MEDIUM TO MINIMAL SHRINKAGE WEAR A SATIN CAP AT NIGHT. IN MORNING FLUFF WITH FINGERS AND ADD MISS JESSIE'S CURLY BUTTERCREME™ or MISS JESSIE'S BABY BUTTERCREME™ TO HYDRATE DRY HAIR. IF EXTRA ELONGATION IS DESIRED, BLAST WITH HEAT FROM ROOT TO MID SHAFT WITH A BLOW DRYER AND NOZZLE ATTACHMENT.
